The Wilton Warrior Gridiron Club, the booster organization that supports the Wilton High School Football program, has established this fund in memory of George. This scholarship will be awarded annually to the teammate who demonstrates selflessness both on and off the field and will be personally handed the award by the DiRocco family members at either the end-of-season football banquet or at the high school end-of-year awards ceremony. Donations towards this scholarship are held separately from other

funds raised benefitting the football program. The DiRocco family has asked that gifts be made towards this fund and will receive a list of donors.

### MB Health Office

**This message is only for students who have not yet submitted a 7th grade Physical:**

In accordance with Connecticut State Law and Public Act No. 07-58, the Wilton Board of Education requires that all school children, except those with valid religious objections, have a physical examination entering 7th grade. Due to the circumstances this year, the mandated physical dates will be May 31, 2019 to November 1, 2020. The State of Connecticut mandates that the Connecticut State Health Assessment Record form be completed and on file in the school Health Office by November 1, 2020. Provider appointments need to be scheduled prior to this date, and the Health Office is to be notified of this date as soon as possible. All physicals are to be emailed Katie Marchese ([marchesek@wiltonps.org](mailto:marchesek@wiltonps.org)) or mailed to the Health Office (131 School Road Wilton, CT, 06897) as soon as possible. Prior to entering grade 7, we will need a current immunization record for the start of the school year 2020-2021. Students will not be allowed to enter school on November 1, 2020, until proof of compliance with this State requirement has been received in the school Health Office. Questions pertaining to completion of this requirement should be directed to the Health Office by phone (203)762.8388 ext. 5254 or by email to our nurse [boehmek@wiltonps.org](mailto:boehmek@wiltonps.org).

### **NAMI**

The COVID pandemic has caused unprecedented stress in our society and many children's behaviors have been triggered as a result. What was manageable pre-covid is now out of control. Find support for you, as you support your child who is struggling. The National Alliance on Mental Illness (NAMI) Child and Adolescent Network (CAN) is a Support Group for parents of children with behavioral, emotional and mental health issues. The meeting is free, confidential, safe and led by trained volunteer facilitators who themselves have had personal experiences raising children with these concerns. Our meetings are a place to speak freely and be understood without embarrassment or the fear of being judged or treated differently. Our meetings are held virtually over Zoom and for security, you must contact Beth or Vanessa for the password. Next meeting is Monday, October 5th, from 10:00-11:30 a.m. <https://us02web.zoom.us/j/596783943> (Meeting ID: 596 783 943).
